END OF TERM ARRANGEMENTS

We have a few very busy weeks at the college on the run up to the end of term and would like to take this opportunity to inform you of these.

Saturday 06 July – Open Day

The college will be showcasing learner's work and advertising our courses from 10am – 2pm. Learners are volunteering to support their subject teachers and permission slips are available from reception.

Tuesday 09 July – Sports Day

Arrival at Sports Dock at **9.30am** for registration. Learners must wear sports wear and bring a packed lunch and plenty of water to drink. Those on Free School Meals will be provided with a packed lunch. The day will end at **1pm** when learners will be dismissed from the Sports Dock.

Wednesday 10 July – Industry Mentoring

Final session for Year 10 learners to meet with their industry mentors and discuss their CVs.

Week Beginning 15 July – Work Experience Week

We are very fortunate that Neilcott Construction Limited is delivering our work experience during the course of the week. All learners who have not secured their own work experience during this week should attend as normal.

Learners will be working in groups on an exciting project using their engineering and design specialisms.

The **last day of term will be Thursday 18th July** – learners will be dismissed from college at **12.30pm** following their Celebration Assembly. Learners will be able to purchase their lunch at break time that day.

Please note that **all** lockers will need to be emptied before the end of term. Lockers will be reallocated on learners return on **Thursday 5th September**. Any items left in lockers after Thursday 18th July will be destroyed.

Yours sincerely
