

Carla Doak

Carla joined us in September 2019 and is a very enthusiastic individual who believes that every young adult matters and deserves the best education.

Carla has previously volunteered as a play worker in a local community for five years, this was for an open access facility for children and young adults. Carla has also worked as a SEN Teaching assistant in a local primary and secondary school in specialist SEN units. As a part of this role Carla gave support in educational needs in mainstream setting.

Carla has lived in East London for over 24 years and has three children which gives her the knowledge and experience of dealing with children and young adults from inner London.

Carla is also Chair of the LDE UTC Smile Committee, and in addition to her duties as a Cover supervisor she assists it reception, invigilates examinations, and provides one-on-one support to a variety of young learners.
