

Halima Begum – Teacher of Maths (NQT)

Halima joined us in June 2020 as a Teacher of Mathematics. She achieved her degree in Mathematics at Queen Mary University of London. After achieving her degree, she worked in a secondary school for a year and realised her passion for teaching.

Halima decided to complete her PGCE at University of East London in order to become a fully qualified teacher. Halima is passionate about Maths and aims to be a teacher who motivates and encourages young individuals to work hard and achieve their full potential.
