

Jackson N'lombe

Assistant Site Supervisor & Workshop Technician

Born in Congo RDC, came in UK when I was 15 years old, as a child leaving in Congo I was always involved in technologies, I remember using most of my spending money to buy electrical parts to build a radio stereo from scratch, fixing anything that needed fixing around the house such as Television,

I have been working in the education for more than 10 years, as a head of security, safeguard officer, working alongside facilities and IT helpdesk team.

I am a Microsoft certified professional, my educational based in IT and electricians.
