

### **Jimmy Adebowale - Facilities Manager & H&S Lead**

Jimmy is a NEBOSH trained Facilities Manager with 20 years' experience working in the leisure and education sectors. Most recently working for the London Borough of Lewisham at a large secondary school, as the Facilities Manager overseeing the second phase of its redevelopment as part of the Better Schools for the Future programme, while also managing all day-to-day facilities management at the school. Jimmy is looking forward to working at LDE UTC and supporting the College to help our learners achieve their goals in a welcoming and safe environment.
