

Tasrin Chowdhury - Teacher of English.

I have a strong and thorough understanding of how English Language and English Literature are taught at Key Stage 3 and 4, along with excellent curriculum knowledge for both key stages. I have taught a range of topics to my Key Stage 3 and 4 classes, touching on all the components of the English national curriculum: creative writing, speaking and listening, poetry, and an in-depth study of classic novels and plays, including Shakespeare.

My desire to teach stems from my belief that a good teacher can make a meaningful impact on students' lives. During my own school years, my teachers helped to inspire, support, and motivate me to be the best I could be. I will always aim to do the same for my students; and will always encourage them to not put limits to what they can achieve.
