

Monisha Shandal
Finance and Admin Officer

Monisha graduated from The University of Kent a few years ago and since then the majority of her career has been within the finance field with companies located in Kent, with her last position being a Finance Assistant for Kent Police. Monisha has been a volunteer for two years for Kent Police within the Neighbourhood Watch Department helping to reduce crime within the Kent area.

Monisha's career highlight has been implementing process change initiatives in order to ensure organisations are achieving the most efficient working practices within the finance department.

Most recently, Monisha had moved to the London area and is looking forward to progressing her career and adding value to LDE UTC as it continues to grow and prosper.
