

## **Sharna Rolle – Apprenticeships Manager**

Sharna Rolle comes with 17 years' experience working in an education, employment and skills setting, helping people make a positive impact in their lives. Having previously developed, coordinated and driven a successful apprenticeship programme at a leading housing developer, she possesses a broad understanding of apprenticeship standards and the levy structure. She also brings with her a wealth of project management skills acquired from her extensive experience in the construction industry.

Her exceptional interpersonal skills have allowed her to effectively communicate at all levels, building robust working relationships with senior representatives from developers such as Bouygues, Higgins, Lendlease, the local authority, educational institutes and communities.

Sharna also holds a Bachelors degree in Creative Arts, a City & Guilds Level 3 and 4 in Advice and Guidance and teaching qualifications, PTTLs and CTTLs.

Her passion is to ensure that every student she supports becomes a highly skilled learner.
