

## **Sharian Joseph-Bertrand - Teacher of Enterprise, Business and Economics**

I have been in the educational sector for over 22 years teaching a range of different Business and Retail units. As a highly motivated and dedicated individual with strong communication and interpersonal skills, I have a passion for teaching and making my lessons interesting and innovative. I hold a Bachelor of Arts degree in Business Administration with PCGE qualification. I complete my Masters in Education in August 2022, which will benefit and upskill me in my progression in the education sector. I am keen to ensure my students reach their aims and goals by completing and seeing the course through 'til the end.

In my spare time, I enjoy organising events and carrying out events and meeting new people from different types of culture and background.
